HOW TO USE OUR
Gated Parking System

Exiting our Parking Lot - *Paying at the Pay Station*

1 To pay at the pay station, insert your ticket into the ticket slot located on the lower left on the pay station.

2 The display will show how much you must pay for parking. You have the option to pay with coins and bills or credit card.

3a To pay with coins and bills insert the coins in the coin slot located at the middle right or insert bills in the bill slot located on the right of the pay station.

3b To pay with credit card, insert your credit card in the credit card slot (also the ticket slot) located on the lower left on the pay station.

4 Your parking ticket will print and be dispensed out of the lower left of the pay station. Take your receipt as you will need this to exit the parking facility. A receipt will print after the parking ticket as payment confirmation.

5 When you pull up to the exit column and barrier gate arm, insert your parking ticket you received from the pay station and insert it into the yellow ticket slot located on the middle of the exit column.

6 The barrier gate arm will lift and you may leave the parking facility.
